STATEMENT OF SUBSTANCE OF PERSONAL INTERVIEW

Sir:

Comes now the Applicant and for his Statement of Substance of Personal Interview, states the following:

A personal interview was conducted in this case on July 29, 2003. Present at the interview were the Examiner Charles Rones, and Applicant's undersigned representative, Phillip E. Miller of McGinn & Gibb, PLLC.

Applicant is grateful for the opportunity to discuss this case with the Examiner, and appreciates the Examiner's helpful comments made during the personal interview.

Further, Applicant notes that at the interview, the Examiner agreed with Applicant's representative that amending claims 1, 20 and 39 to incorporate a feature from claim 67 would overcome the cited references in this case.

In view of the foregoing, Applicant submits that claims 1-70, all the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. The Examiner is respectfully requested to pass the above application to issue at the earliest possible time.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.
